## EDUCATION

### Lost Boys | School of Visual Effects

2016 - 2017 | Vancouver, Canada

#### Advanced Visual Effects Compositing

Diploma of Visual Effects Compositing specializing in 2D and 3D compositing, keying, BG prep, rotoscoping, and paint.

### Vancouver Film School

2014 - 2015 | Vancouver, Canada

#### Foundation Visual Art + Design

Studied the basics of the film industry and developed both technical and creative design skills. Course focused on 2D composition, classical animation, film production and digital design.

## EXPERIENCE

### Framestore

Jan. 2017 – Nov. 2020 | Montreal, Canada

#### Roto Paint Lead – 2019 – 2020

As a lead my responsibilities included but were not limited to; making sure artists meet deadlines, quality checking all final work, participating in bidding, supporting both artists and production as well as maintaining an understanding of my artists technical skills to aid in smooth distribution of shots.

#### Roto Paint Artist – 2017 – 2018

In this position I was responsible for is responsible for multiple aspects of plate preparation and creation of elements for use in final composites.

### Psyop

Aug. 2015 – Oct. 2015 | Vancouver, Canada

#### Production Assistant

Worked as a Production Assistant during The Accountant and X-Files. My role required working out of shotgun to help communicate notes to artists, organizing shot boards, sitting in on dailies taking notes and assisting in filming elements for the compositors.

### Lush Cosmetics

July 2014 – 2014 Nov. | Vancouver, Canada

#### Senior Sales Associate

In this position I was responsible for assisting with opening a new store as well as guiding the direction of the leadership within that store. The role involved teaching staff, being a part of the hiring process as well as working in the store front.
